

HARD DRIVE SHREDDING TRUCK Series 3 Hard Drive Shredders AMS-1500HD / AMS-2000HD

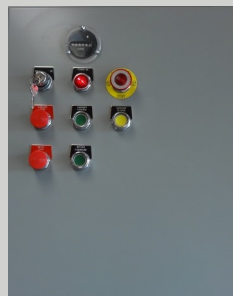

We require 6-8 weeks to manufacture the equipment followed by a 3-4 day installation in a customer provided box truck with a lift gate.

Factory installation includes:

- 3 Phase diesel generator
- Overhead lights
- Louvered ventilation
- Electrical outlets
- Caster brackets
- Generator cover
- Electrical panel
- Fire extinguisher
